River Clean up

Spring is around the corner and there is no better way of celebrating it than a day in nature taking care of Ferndale Arboretum that is in pitiful state.

This is a call for all residents and green warriors. A day of voluntarism that will end up with braai for the volunteers and a drum circle. Time to wake up this beautiful land of ours to Spring's call for rebirth.

SATURDAY, 21 AUGUST, 9am.

MEETING POINT: New Acropolis Centre, 411 Vale ave. Ferndale, Randburg (closest corner Oxford str.)
